

Lubricants for today's cars.

Silicon Spray

NEW

JLM Lubricants

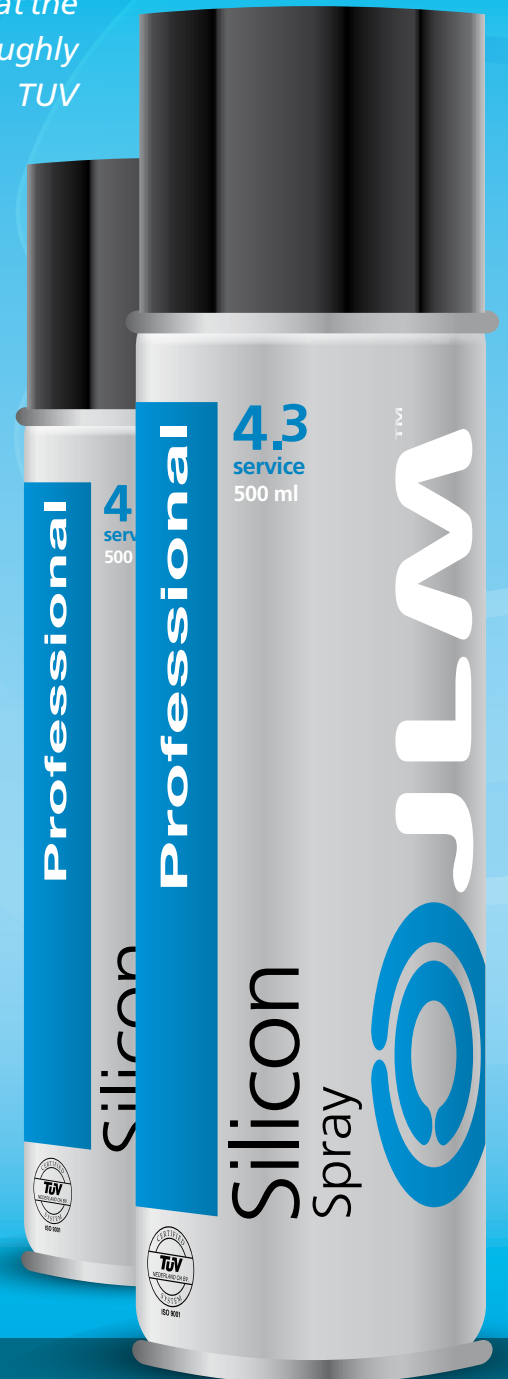

At JLM we are committed to making a range of service products that the workshop professionals can rely on to do the job quickly, thoroughly & professionally. JLM products are manufactured to exacting TUV standards, guaranteeing quality products at a competitive price

Product Information

Silicone spray protects rubbers from freezing in winter and prevents drying out in summer. Easy in use on cars and at home. Lubricates locks and hinges. Grease free release agent, ideal for plastic, glass, metal, rubber.

Use

Shake well before use. Spraying distance: 20-30 cm. Allow to dry. Repeat if necessary.
